

MARY SIMPSON

Mary has been a member of LTDTTC since 2002. She has been teaching since 2012. During this time, she has taught Rally and Basic 2 Obedience classes. Currently, Mary is one of our Rally instructors.

Dogs are not the only animal she has trained or shown. Mary had shown cats in cat shows and horses in equitation. She decided to get involved with dog training years ago as she had dogs of her own and wanted to train them. Mary owned Greyhounds and English Pointers. She has shown a German Shepherd in obedience, Italian Greyhounds in obedience and rally, Greyhounds in obedience, rally and freestyle, and a Yorkshire Terrier in obedience and rally.

Along with being a member of LTDTTC, Mary is also a member of Glenbard All Breed Obedience Club where she teaches Rally Obedience.

While she is not currently trialing any dogs of her own, Mary is an AKC Rally judge. Over the years she has achieved the Companion Dog (CD), Companion Dog Excellent (CDX), Rally Advanced Excellent (RAE) and Canine Good Citizen (CGC) titles with her various dogs.

May's training advice she gives to her students is to practice.
