Meet Our Active Therapy Dogs

AUDEE

Name	AuDee
Breed	Golden Retriever
Birthday	April 25, 2017
Color	Gold
Personality	AuDee loves everyone. She actually pulls hard on leash (not a good thing) to get to everyone she sees.
Training	She earned her Star Puppy and CGC (Canine Good Citizen) at LTDTC before the crash. AuDee has trained in Agility, Obedience and therapy work. She has earned her THDN, novice therapy dog title, and is active with both Ben's Friends and Hinsdale Humane Society Therapy Dog programs.
How do you know that your dog loves therapy work?	Out comes her Therapy leash, and we call out "Let's go see the kids" and AuDee races to the door!
