Earn an agility title on your beginner dog in a trial atmosphere! The Agility Course Test is an entry level agility event to introduce beginning dogs and/or handlers to the sport of agility. **Dogs must be 15 months old to enter and must meet the requirements for a regular agility trial** (Chapter 1, Section 3), except that they need not be AKC registered to enter.

ACT Level 1 is open to all dogs who **have not earned any AKC titles**. The course will have 10-12 obstacles including a 5' A-Frame, table, tunnel, bar jumps (no spreads). Tire and panel jump are allowed but not required. Time for the course will be 60 seconds and a score of 85 is required.

ACT Level 2 is open to all dogs who **have not earned any AKC titles except for an ACT1 title**. The course will have 11-13 obstacles. All Level 1 obstacles will be used with the addition of a teeter, tire, 1 spread and 6 weaves. Time for the course will be 70 seconds and a score of 85 is required.

Refusals and Run outs are not judged. More than 3 attempts will result in an elimination/failure to perform. Table faults, Wrong courses and Failures to Perform will be judged as in a regular agility class. Examples of failing to perform are not touching the downside of a contact obstacle and knocking down a bar. Two passing scores are needed for a title and can be under the same evaluator.

Jump Heights are at the handler's discretion. Jump Heights are 4,8,12,16,20 inches. A jump height card and measuring are not required. A measuring wicket will NOT be available.
